The **Armenian Power** Gang, **Hollywood Hellions**

Armenian Power came from humble beginnings, says the Eurasian Organized Crime Task Force, a cooperation of several local, state, and federal law enforcement entities in Southern California. Armenian immigrants to East Hollywood and Glendale in the 1980s formed a street gang for protection in an area rife with many other gangs organized along ethnic lines. But while other gangs battled over turf, this one quickly developed larger ambitions. It forged an alliance with the Mexican Mafia, a prison gang that controls much of California prisons' drug trade. **The Mexican Mafia provided "protection and status" to Armenian Power members in jail, and Armenian Power provided the muscle when the Mafia collected dues.**

In 1991, reported the Los Angeles Times, the gang "**took over the parking lot of a mini-mall in East Hollywood and turned it into their headquarters,**" intimidating customers and shop-owners alike.

More Than 100 Members and Associates of Transnational Organized Crime Groups Charged with Offenses Including **Bank Fraud, Kidnapping, Racketeering and Health Care Fraud**

Six Indictments Returned in Los Angeles-area, Miami and Denver Allege Widespread Criminal Conduct by **Members of Armenian Power** and Other Transnational Groups

"The Southern California indictments that target the Armenian Power organized crime enterprise provide a window into a group that appears willing to do anything and everything illegal to make a profit. These types of criminal organizations - through the use of extortions, kidnappings and other violent acts

"We have seen organized crime spread from shakedowns on street corners to complex cyber schemes, human trafficking and other crimes perpetrated across international borders," said Executive Assistant Director Shawn Henry of the FBI. "Transnational enterprises are siphoning hundreds of millions of dollars from our economy to perpetuate their cycle of greed."

According to the racketeering indictment, **Armenian Power**, which is also known as **AP-13**, is **closely allied with the Mexican Mafia**, a prison gang that controls

much of the narcotics distribution and other criminal activities within California correctional facilities. In addition to its connections to criminal groups operating in California, such as the Mexican Mafia, AP leadership **maintains ties to Armenia and Russia** and deals directly **high-level Armenian/Russian organized crime figures.**

The Kardashians are collectively worth over a billion and they are basically famous for nothing. They are promoted by Hollywood and their target audience is white women and the Kardashians date black men while their white step father who is distinctly European white is a transsexual. That is the blatant agenda they are pushing. The Kardashians are all ruthless child murdering sadists. They cannibalize children. They burn children alive. They are a female mafia. They brag about

murdering children all the time. They are psychotic liars and ruthless and murderous criminals. They are a disease of sexual cannibalism polluting the women in society. They claim to own all women. They are one of the most destructive and worthless families to ever exist and are completely insolent and narcissistic. They are a disease of pure evil and need to completely eradicated out of existence.

Count Giberto's wife Princess Bianca is the sister of Prince Aimone of Savoy-Aosta who is the head of Pirelli Russia and works and resides in Russia.

Count Giberto Arrivabene-Valenti-Gonzaga with the gay fashion designer Erdem Moralioglu. Count Giberto is a top owner of the Gay Mafia and he has numerous gay friends.

The Kardashian Christmas card shows a naked woman wrapped in plastic below the dollar sign inferring the woman is dead and this is next to the Rolling Stone magazine of Kanye West depicted as Jesus. The rest of the card is Illuminati symbols.

That is evidence that the Kardashians are involved in sex trafficking and murder. They are promoting it. The only way to interpret this is a naked dead woman wrapped in plastic which is how they dispose of bodies to contain the DNA. Robert Kardashian defended OJ Simpson who was tried for murdering Nicole Brown Simpson a white woman. Here Kanye West a black man is depicted next to a dead white woman.

Kanye West with Donald Trump

Rob Kardashian is extremely evil and depraved and he idolizes the Gottis. He also manages a gang stalker named Robert Nadeau. This devil rapes, murders, and cannibalizes children and has sex orgies with his sisters and mother. He is a major pedophile who has raped, murdered, and cannibalized little boys like his sisters and mother do. This devil needs to be violently killed.
